Associate – Corporate – Derivatives RSCNY7224

Description

A leading international law firm is seeking a highly qualified mid-level associate to join its Financial Regulatory and Derivatives practice groups in the New York office. If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

This role offers the opportunity to work with investment managers, financial institutions, and emerging companies on a wide range of sophisticated regulatory and transactional matters. The practice covers a dynamic mix of regulatory frameworks, including Dodd-Frank, CFTC, and SEC regulations, alongside derivatives transactions involving commodities, interest rate swaps (IRS), foreign exchange (FX), credit derivatives, and futures. The team also engages with cutting-edge areas such as FinTech and crypto trading.

Candidates with strong transactional experience who are interested in expanding their expertise in financial regulatory and derivatives work are encouraged to apply.
