Associate – Finance – Engineering, Procurement, & Construction (EPC) RSCDC7200

Description
Our client, a leading law firm, is seeking a highly qualified associate to join its Project Development & Finance Practice.

If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

This role focuses on representing owners and developers in the development of large-scale energy and infrastructure projects. The ideal candidate will have experience drafting and negotiating engineering, procurement, and construction (EPC) contracts and a strong interest in complex project development work.
