Associate – Government Contracts (Transactional) RSCDC7226

Description

A leading international law firm is seeking a talented associate to join its Government Contracts team.
If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

This position offers the opportunity to advise clients on complex compliance and regulatory matters related to government contracting. The associate will work closely with a diverse client base on high-level issues involving mergers and acquisitions, small business size-status, domestic preference requirements, and procurement regulations. This is an excellent opportunity for an attorney looking to deepen their experience in a dynamic and highly specialized practice area.
