Associate – Litigation – Intellectual Property Litigation RSCMP7375

Industry

Legal

Description

Our client, a leading law firm, is seeking a skilled and highly qualified Associate to join its rapidly expanding Litigation & Trial Department, with a focus on patent litigation.

If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

This role offers the opportunity to work on complex, high-stakes patent disputes across a range of industries. The ideal candidate will have a strong technical background and experience handling all phases of patent litigation, including case strategy, discovery, motion practice, and trial preparation. The position requires a detail-oriented professional who can manage multiple matters, collaborate with cross-functional teams, and contribute to innovative legal strategies in a fast-paced environment.
