Attorney - Lateral Associate - Labor and Employment RSCSF6159

Description

We are seeking an associate in law school class years 2017 through 2021 to join the labor and employment team. The practice is primarily employer-side litigation, with some advice and investigations work as well. Litigation is mostly class and representative actions, both wage and hour and discrimination, and experience in the class actions space would be helpful. Three years+ in a peer law firm in the employment space would likely have requisite experience.

The annual compensation range for this position is between \$310,000 and \$435,000. The salary offered within this range will depend upon qualifications and other operational considerations. Benefits offered for this position include health care; retirement benefits; paid days off, including sick time, and vacation time; parental leave; basic life insurance; Flexible Spending Accounts; as well as discretionary, performance-based bonuses.
