Chief Financial Officer RSCSA5085

Description
Reliable Staffing is on the hunt for a highly-analytical and qualified financial officer. You would be responsible for the financial health of a given company by managing their financial procedures. Your duties would include planning budgets, participating in audits, monitoring transactions, and preparing invoices. This is a direct hire position. Reliable Staffing requires that the applicant demonstrate in-depth knowledge of financial policies, procedures, and systems. In addition to being an excellent communicator, our ideal candidate would have outstanding analytical and time management abilities. The C.F.O\'S duties include monitoring cash flow, meeting with the CEO to discuss the best practices for company finances and coming up with strategic plans to improve their company's overall financial health.
