## Cybersecurity and Data Privacy Junior to Mid-Level Associate RSCDC7409

### Industry

Legal

### Description

A leading global law firm is seeking outstanding junior and mid-level associates to join its Cybersecurity, Data Privacy, and Artificial Intelligence practice groups. This role offers the opportunity to work on cutting-edge matters involving emerging technologies, regulatory enforcement, and complex transactional support in a rapidly evolving legal landscape. If you think you'd be a good fit, please send your resume to [jobplacements@reliablestaffing.com](mailto:jobplacements@reliablestaffing.com)

You will work closely with cross-functional legal teams on matters involving U.S. and international privacy and cybersecurity frameworks, as well as emerging AI governance standards.

### Job Location

Washington,, DC, USA

### Date posted

April 20, 2026

### Valid through

20.04.2031

### Base Salary

\$ 260,000 - \$ 420,000
