Environment, Energy & Resources – Associate Attorney – Midlevel RSCSF7178

Description

A leading international law firm is seeking highly motivated mid-level associates to join its nationally recognized Environment, Energy & Resources practice group. This is a premier opportunity to work at the intersection of digital infrastructure and the energy transition, helping design power strategies and navigate complex state and federal regulatory frameworks shaping tomorrow's energy landscape.

If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

This role offers the opportunity to work on cutting-edge matters involving power transactions, market design, and federal energy regulation, representing sophisticated clients including developers, utilities, and major technology companies.
