Inspector – RSCSAD3059

Description
Reliable Staffing San Antonio is now seeking Inspectors.
Hours: Third Shift (11:00 PM-7:00 AM)
Pay Rate: $18-$20/hour
DUTIES/RESPONSIBILITIES:
To perform all aspects required for proper evaluation and inspection of components processed at CCS, while ensuring regulatory and quality system compliance. Work safely following all health, safety and environmental rules and policies. Demonstrate high ethical standards and integrity as set forth in our Code of Business Conduct and our Principles of Business Conduct, Policies and Procedures. Be proficient and qualified in proper inspection procedures such as but not limited to incoming, in process (hidden damage) and final. Understand and implement the policies and procedures set forth in the various CCS quality manuals and procedures. Understand and implement the applicable civil aviation regulations as defined by the FAA, EASA, CAAC, DCA, JCAB or other recognized civil authority. Ensure that inspections performed are done so in accordance with approved data such as the Original Engine Manufacture Manuals, the customers manual or other data approved by the administrator. Continually look for ways to increase efficiency and productivity, while maintaining the required level of quality. Display an attitude that promotes teamwork and co-operation between the inspection and productions departments. Assist engineering in the introduction of new repairs and/or techniques to facilitate repairs and/or repairs to components. In conjunction with engineering and production, continually review the process routings to optimize the workflow through the maintenance process. Define and propose working with quality management and engineering additional equipment/tooling or modifications required to equipment /tooling which will assist in improving efficiency and productivity of the maintenance process.
