Nurse Practitioner – RSCSAD3094

Description
The schedule will be Mon-Thurs from 8am to 5pm and on Fridays 8am to 1pm. Must be bilingual-fluent. Outgoing personality and a background in geriatric, cosmetic, or dermatology experience preferred.

We are looking for a licensed nurse practitioner to join our growing team of medical professionals. Your duties will include recording patients' medical histories, performing physical exams, administering diagnostic tests, and creating patient care plans. You will also administer treatment and observe patients' functioning over time.

To be successful as a nurse practitioner, you should be empathic but resolute in your decision-making, and attentive to detail. Ultimately, a top-notch nurse practitioner will exhibit cultural competence and exceptional teamwork skills.

Nurse Practitioner Responsibilities:

Performing physical exams and patient observations.

Recording patients' medical histories and symptoms.

Creating patient care plans and contributing to existing ones.

Ordering, administering, and analyzing diagnostic tests.

Monitoring and operating medical equipment.

Diagnosing health issues.

Administering medicine and other treatments.

Detecting changes in patients' health and modifying treatment plans, as needed.

Consulting with healthcare professionals and families.

Training patients and their families to manage and prevent illness and injury.
