Privacy & Security Associate Attorney – Midlevel to Senior RSCDC7188

Description

A leading international law firm is seeking a mid-level to senior associate to join its Chambers-ranked Privacy Class Action Defense Team. This role offers the opportunity to work on cutting-edge privacy litigation matters for high-profile clients across the technology, media, and retail sectors.

If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

The team is highly collaborative and focused on tackling complex legal challenges at the forefront of technology and privacy law. This is an excellent opportunity for an attorney who thrives in a fast-paced, innovative environment and is passionate about emerging legal issues.
