Technology Transactions & Privacy – Associate Attorney – Midlevel RSCPA7145

Description
A leading international law firm is seeking an associate with at least 4 years of experience to join its cutting-edge Technology Transactions & Privacy practice.

If you think you'd be a good fit, please send your resume to jobplacements@reliablestaffing.com

This is an exciting opportunity to work on innovative and complex technology-driven matters across a variety of industries. The practice focuses on advising clients on technology transactions, intellectual property, and emerging technologies, as well as supporting corporate transactions involving tech-enabled businesses.

The ideal candidate will bring a strong foundation in technology transactions along with a deep understanding of current and emerging technologies. This role offers the opportunity to work with sophisticated clients, including startups and established companies, on high-impact matters at the forefront of the digital economy.
