WAREHOUSE RSABLE2004

Description

We are seeking a reliable and motivated Warehouse Associate to join our logistics team. In this role, you will support our supply chain operations by handling inbound receipts, managing inventory storage, and preparing outbound orders for delivery. You will work in a fast-paced industrial environment where safety, accuracy, and efficiency are our top priorities.

Job Location

Abilene, TX

Industry

Abilene

Skills

- **Inbound Operations:**
Receive incoming shipments, unload delivery trucks, inspect items for damage, and verify quantities against packing slips.
- **Storage & Preservation:**
Safely transport and organize raw materials and finished products onto high-ceiling vertical pallet racks and shelving systems.
- **Inventory Management:**
Track and locate stock using our labeling system (SKUs and barcodes) to maintain accurate inventory records.
- **Outbound Operations:**
Accurately pick items from shelves, pack them securely to prevent damage, label packages, and load outgoing transport vehicles.

Qualifications

- Ability to stand, walk, bend, kneel, and squat for long periods during a shift.
- Ability to safely lift, carry, and move packages weighing up to [50] pounds.
- Comfort working in an industrial warehouse environment that may experience temperature fluctuations.
- Strict adherence to safety protocols, including wearing required Personal Protective Equipment (PPE) such as steel-toe boots and high-visibility vests.

Education

- High school diploma or equivalent preferred.
- Previous experience in a warehouse, fulfillment center, or distribution environment is a plus.
- Familiarity with material-handling equipment like forklifts or pallet jacks is preferred [or: "willingness to be trained and certified"].
- Strong attention to detail and basic computer literacy for tracking orders.
- Reliable transportation and a strong track record of punctuality.
