Industrial Maintenance Technician RSCBDTX3061

Description

Industrial Maintenance Technician 2ND SHIFT

We are looking for a skilled Industrial maintenance technician to oversee the installation and maintenance of our industrial equipment. As an industrial maintenance technician, you will be responsible for ensuring the smooth operation of our machinery and mechanical equipment. This will include installing new equipment, performing regular services and maintenance procedures, and troubleshooting equipment breakdowns.

To ensure success as an industrial maintenance technician, you should have advanced mechanical knowledge of industrial machinery, excellent troubleshooting skills, and good time-management skills. Ultimately, a top-class industrial maintenance technician boosts production by ensuring all production equipment functions correctly and receives regular maintenance.
